

Please upload a document that demonstrates two ways of using a signal phrase when you quote a statement from ONE (1) source. Include the original passage, citation, and reference.

Original passage:

"The impact of social media on interpersonal relationships is a topic of increasing importance in contemporary society"

Integrating the Quote into the Sentence

According to Smith (2022), the impact of social media on interpersonal relationships is a topic of increasing importance in contemporary society (p. 45).
